Dear Kirsti,  
yes, a letter for each of us would be good. could you please tell us when we can collect them from you?  
Thanks for your help.

Shams

Dear Shams,  
should I just sign and stamp the reports or you need another letter each?  
Cheers,  
Kirsti

Dear Kirsti,

We are a group of 5 students who attended some activities in cern and we are asking for validation from the cms for the training reports attached. We need the validation as soon as possible because the embassy of Oman requested it yesterday.
